Your gentle face and patient smile,  
With sadness we recall.  
You had a kindly word for each  
And died beloved by all.  
The voice is mute and stilled the heart  
That loved us well and true.  
Ah, bitter was the trial to part  
From one so good as you.  
You are not forgotten loved one,  
Nor will you ever be,  
As long as life and memory last,  
We will remember thee.  
We miss you now, our hearts are sore,  
As time goes by, we'll miss you more,  
Your loving smile, your gentle face,  
No one can take your vacant place.
