“ We just saw Aunt Hazel December 17 and took her another batch of perch. She was weak, but in good spirits after just getting released from the hospital. She’s back with Uncle Kenny again and at peace. A memorial contribution will be made to St. Jude Children’s Hospital in her name. Many thanks to her nephew Tommy and family for looking after her all these years.

“ I did not know your mother or your family. I lost my 103 year old mother in 2021. She was also under Hospice of N W Ohio Care in a nursing home. My mom was also there at Coyle's. It was one of the most worthwhile things I have ever done. My mom looked lovely. The beauty of the memorial service and the satisfaction of seeing her so happy on her trip to see the Lord, was a memory I will never forget. Please, enjoy your last moments with your mom and pray to the Lord for her salvation. God Bless you all, Sally Bennett
