“ *My heartfelt sympathy to your family. We returned from Florida yesterday and I learned of Mary's passing. I first met Mary at Wyndham Place and we often visited in the lobby when I was with my mother, Jane. She always greeted us with a smile! Mary's presence always meant a great deal to both of us. “ *Dear Cindy and Chip;*

So sorry you lost your mother so suddenly. What a shock. Aunt MaryEllen was important to me in my teenage years as she was so much younger than my mother and understood what I was going through. I've been sick and couldn't make a visit to the funeral home or funeral. Love you both. Kayellen (Maher)

“ Mary was my sons PreK aide. My son is now 19 and a US Marine. We have such fond memories of Mrs Wells. She and Mrs. McKennie would greet me at the door of the classroom at the end of the day with a silly smile and say, "Let me tell you what Hunter did today!" He was always into something... Lol. We send our love and sincere condolences to the family.

“ Just wanted to say your mom was a big part of our lives at Detroit Ball Bearing when your dad was still working with us. We got to hear stories and share your youth with him. Your mom was a strong lady and I will always remember her that way. I am so sorry for your loss.

“ I came to know Mary through our "Lifetree Cafe" at Maumee United Methodist Church. Mary was a faithful and thoughtful participant of our Wednesday evening program. Her insights and considerations of the weekly topics gave us all a beautiful insight into Mary's loving, caring spirit. She was so compassionate towards folks and their trials in life. Her warm smile made everyone feel that life would be okay. Mary knew no stranger. She will be dearly missed.

“ I met and knew Mary through the Okaloosa School System and as a Volunteer at North Okaloosa Medical Center. We were Facebook friends. I also knew Chuck and attended his visitation. Mary was a wonderful person with a contagious smile and laugh. She was so likable and easy to get to know. I loved her personality and character. I was shocked today when I saw the paper. Did not know she was ill. I knew that I had not heard from her in a while. So sorry for the families loss. God bless and comfort you as a family.

“ Good afternoon, I wanted to be there today to express my deepest sympathy for your loss; but I've been ill and don't think it is a good idea to spread around whatever crud I have.

I've only known Mary for two (2) years, but she was a very special friend. She did everything she could to include me in her circle of friends. She thought my dog was so handsome. I am going to miss her very much.

“ We had the good fortune of meeting and becoming friends with Mary and Chuck only a couple years before she moved away. What a package of energy, class and grace. A wonderful example of no matter your age, there is something you can do to help others, as Mary did - and as I read her Obituary, she just kept on giving and doing when she moved back home. We're blessed to have known her!
