“ *Cathy,*

*I'm praying for you and your family at this difficult time. I'm here if you need anything. You have amazed me with the care you gave your Mother. I've watched you for a long time now caring for your Mother. I'm sure your family is grateful and saw all your efforts. I know you would do it all over again. Your Mother was very blessed to have you. I realize all of your family helped too. But, I witnessed first hand being your friend the tireless hours you devoted to her. To you and your family I'm very sorry for your loss. Love,
