“ My condolences to Matt's family. I just ran across his passing and I'm shocked and saddened. We dated back in the 80s. We met at the country connection downtown and I thought I died and gone to Heaven. He was so handsome and what a great dancer! I even got to spend time with him in FLA. We remained friends until life took us in different directions. I last ran into him at the OLPH festival a few years back. Handsome as ever. I for one will never forget what a kind, caring person he was! RIP Matt.

“ *Matt was a gentle soul, a great friend to all, and a person you count on every time. Funny, loving, smart, and a friend i'm going to miss. He always remembered peoples names...I have a hard time remembering yesterday...not Matt. He'd keep you laughing maybe something stupid I did or he did...there was enough to go around. I guess God needed Matt's humor next to him. Thats okay because we'll meet again, old buddy. God bless your family and im so sorry for your loss but I wanted you to know, Matt touched many hearts while on earth. He did good. Rest In Peace...yur friend, bobby*

“ I met Matt and Carla (and other Buck kids) in WPB when we were kids.. we all hit it off fantastic. A couple years later I went to Toledo a couple time and met the rest of the Bucks... i thought what a close fun family. We all got busy with our own lives for years. Then we all met up again. I thank Matt for that. He was such a kind and sweet man. I will miss him dearly. He was a dear friend. I love you and I will miss you. You will be in my prayers always. ❤️😭

“ To the Buck Family my prayers go out to you for the loss of Matt. Matt was a good friend , uncle ,brother . He lived with a hard work ethic and celebrated even harder. Matt was chasing something his whole life and that was his gift to us. He wanted to be the best he could be to each of us . He would be the guy up front leading the Battle for us and testing the waters to make sure they are safe before we cross. He was my friend and will be missed
