“ I'm going to miss picking up those cigarette butts on my yard. I miss you Mike, you drove me all over the place whenever I needed a driver and we always had a good time.

Love Always,

“ I would like to send my condolences to Mike's Family and send my Love and Prayers to everyone including Mike. Knew Mike from first grade through High School but have not seen him since High School, Mike even tried to get me to go flying with him. So easy to lose touch with friends and then sometimes it is too late to say hi...like now.

“ I'm so sorry to hear about Mike passing. I just told Kevin & we were sharing 'stories' about Mike. Like how he's come to visit and bring one of the collies with him to visit us. If he knew "Grandma" was with us he always brought a collie since he knew that she had one many years ago. Mike & my mother got along great and when she moved back to Toledo he's visit her on Devonshire. Then there was the Thanksgiving were the boys had Thanksgiving dinner at his house & our house on Richland. Memories are good and I hope the few I've shared help you through this time.

“ Thoughts and prayers are with you all during this difficult time. I'm sure you have many wonderful memories to hang on to. First, comes to mind - the phone calls every day after getting home from school. It was a toss up as to who would call first - Mike orl Rob! Mike was such a caring person.....he will be missed. Hopefully, he is at peace after some difficult times,
