February 5, 1998 - March 27, 2012

Michael Anthony Gbur, age 14 of South Toledo, passed away unexpectedly on Tuesday, March 27, 2012 in his home.

He was born Feb. 5, 1998 to Drs. Charles and Carolyn (Smith) Gbur and was a fun loving 8th grade student at Our Lady of Perpetual Help School.

Mikey was looking forward to baseball and his freshman year at St. John's Jesuit High School. He was an accomplished video gamer, a certified scuba diver, loved spending time on the water, the ski slopes and traveling with his family. Mikey was an angel in an unangelic world. He will be greatly missed by his loving family and many friends.

Surviving are his parents, Drs. Charles and Carolyn Gbur, siblings, Alexandria, Charles III, Gina and Delaney, grandparents, Dr. Robert and Mary Smith and Mrs. Virginia Gbur and aunt, Lisa (James) Moran. He was preceded in death by his grandfather, Charles Gbur, Sr.

Friends may visit at the Coyle Funeral Home, 1770 S. Reynolds Rd., on Friday from 2-8p.m. where a Scripture Service will be held at 7 p.m. Funeral will begin Saturday at 9:15 a.m. in the mortuary followed by the funeral mass in Our Lady of Perpetual Help Church at 10 a.m. Interment will follow in

Resurrection Cemetery.

In lieu of flowers the family suggests a contribution to the Michael A. Gbur Scholarship at St. John's Jesuit High School for students of Our Lady of Perpetual Help School.

“ I am fairly new @ TTH cath lab, but am well aware of the mutual respect and admiration for the Gbur Drs. and family. The loss of Michael rattled even those who had never met him, like myself. When my father passed, a poem written by an unknown author comforted me. I hope it brings some sort of comfort to you. " "The tide recedes but leaves behind bright seashells on the sand, The sun goes down, but gentle warmth still lingers on the land, The Music stops and yet it echoes on in sweet refrains...For every joy that passes, something beautiful remains." My deepest condolences to the Gbur family.###imported-begin##Greg @TTH Cath Lab###imported-end##
