“ Dear Peggy and family.....We are saddened by the passing of MIKE...seemed sudden...and without notice.....I had just purchased another musical card....for him....as I know he loved them...and got a kick out of playing them over and over...We have missed you at the lake...and was trying to figure out just how you could come...bring him and have him enjoy at least the air conditioned bedroom....and if that didnt work.....we would kidnap him and bring him across the street to our all airconditioned little lake house. I will remember our ride on the HARLEY DAVIDSON (golf cart that is) ha....when we traveled around the long beach subdivision and he knew far more than I did...as you have been in this neighborhood for a whole lot longer than us. Please know that we are thinking of all of you...and our prayers are with you.....and Peggy if there is anything we can do on this end at the lake...please let us know.....keep us posted.....we love you and care deeply....and so glad that our paths crossed on this journey called "LIFE".....SONDRA###imported-begin###SONDRA###imported-end##

“ To: Peggy Subleski and other family members.

I can not make it to the funeral home on Wednesday or Thursday, so I need to let you know that I will pray for you and Mike at his passing. I first met Mike while I worked at Johns-Manville. Mike was working for Eriksen's at the time, and called on Jack Glasscock in purchasing. I remember his sense of humor, positive outlook and a smile that rarely left his face. A few years later I found out that you moved into the house on River Road (my brothers & I delivered The Blade in that neighborhood for many years) and also attended OLPH. My dad & I also went to Manresa for many years in October with Mike and the rest of the guys from Toledo. I will miss Mike the next time I attend the retreat at Manresa. As far as I am concerned, he was to young when he passed away.

“ *To the whole Subleski Family, I so moved by the family at the Wed evening service. I know you will all be there for each other during this hard time. You don't see many families that are as close as you are. As nice as it was to see all of you again, I am sorry that it had to be under these circumstances. If there is anything I can do for anyone please let me know. Bev Zmuda##imported-begin##Bev Zmuda gbzaza@sbcglobal.net##imported-end##*
