“ *My Beautiful Niece, Michelle Marie,*

*Words cannot express the joy, love and laughter you have brought to our lives. Your cousins, Patrick and Dave "lemon head", would all have such a good time together through our many mutual adventures, to beaches, the zoo, and so much more.*

*I can remember your birth, this tiny little baby that came early, and brought so much joy!*

*I would drop everything as a college student if you needed me to help, at a moment's notice! I guess I was a push-over aunt.*

*And one of your many shining moments was when you came to my yoga classes, all the way to Perrysburg, so determined to be healthy and active. The talks we had afterwards were priceless and sincere. I wanted so much for you have the best that life offered, you soo deserved it. My door was always open for you.*

*I know you are in a much better place now, dear one, so free and full of the spirit that you truly are. I cherish you and your memory~*

*"When you are in that place of light and love, and I am there with you, we are ONE".*

*Namaste,*

*Aunt Denise*

*-keep dancing!*

“Michelle, I am grateful to have had such an amazing sister in my life. I've saved many of the cards you sent me throughout the years. Reading through them, I can still hear your voice. They were always more than just a simple birthday or Christmas card. You would always include hand written caring sentiments about how I was doing and the things happening in your life. I'm really going to miss that. Your love was infectious that could fill all oceans and beyond. You are going to be deeply missed by me and all of the people fortunate enough to have known you. Always loved, never forgotten. "They that love beyond the world cannot be separated by it."

“ *My beautiful daughter, Michelle, you brought me so much joy and laughter in my life.*

*I will forever miss your smile, you jokes, and our heart to heart conversations. We spent many hours trying to save the world, didn't we.*

*You accomplished an educational goal that made me so proud and very happy. Your intelligence never ceased to amaze me. You taught your brother, Kevon, many good things, and always looked out for him, Your genuine concern for your sister, Angie, was a definite priority.*

*Your heart and soul were full of love for all of us .You gave us the gift of love, and I thank you for that. I know God has taken you to a better place, and you no longer struggle and feel pain. That is comforting, but I still will miss and love you until we are reunited again .Our love for music will always live on through the many songs we shared.*

*You are free, my love. Take your new found wings and soar to the loving heights of  
God's peace and serenity.*

*Love and Peace, beautiful little girl,.*

*Mom*

*May the road rise to meet you,*

*May the wind be always at your back.*

*May the sunshine warm upon your face*

*;And until we meet again,*

*May God hold you in the palm of His hand.*

*I met Michelle in July, 1989. 25 years ago. She knew my brother who was in a 12 step program, and she took to me because they were friends. I was at my bottom and felt no one in the world loved me or would ever be my friend. She introduced me to new friends and made me feel welcome. She always had that smile and we laughed together and shared stories and loved music. I never cared for The Doors till she schooled me on the details of loving music, now I love their music ! She would mention she was born during Woodstock the week of Peace and Love. August 11th, 1969. Awesome is another word she'd use, at first it bothered me, now I say it all the time, awesome ... that's what you are ! We drove around the South Toledo, she knew and seen her stomping grounds. She loved her town and her family. She was one of my first friends in AA, 25 years ago. Through her journey through life, I never forgot her or gave up on her and she always reminded me of that. Cause she showed me the way, to the truth. I will miss her. Jesus comfort her family and give them peace.*

*We talked many times on the phone and whenever she was going to hang up she never said goodbye, she always said, Peace ! Till we meet again, Michelle, Peace !*
