“ Dear Paschen Family and Friends,  
I am so sorry to hear of the loss of your dear loved one. Please accept my sincere condolences. I too have lost several loved ones in death, and the pain is tremendous, even with the passage of time. Thankfully, I have found relief in knowing that "The Most High God" is the "Hearer of Prayer", and a source of tremendous comfort in times of grief and distress according to Psalms 83:18, and Psalms 65:2. Please be assured, death will soon be "swallowed up forever" and we will have the opportunity to see our dead loved ones again, as promised at John 5:28.29 and Isaiah 25:8. My family and I wish you and yours peace.

“ *So very very sorry to find out about Shelly--so many memories of her and the fun we had way back when, especially the fun we had in the blizzard of 1978--right out of high school and thought we knew it all. Shelly you will always have a special place in my heart.*
