“ Moya was a bright and shining star in the lives of so many people. She loved her family and friends so very much and took every opportunity to show them. She made everyone who came into her home feel welcome. Mark has told me so many stories of when they were young together, especially up north. I'm so very glad I got to experience some of the joy and closeness they had as sister and brother. I will always remember her smile, her humor and her warmth. Rest in Peace Moya, you will never be forgotten.##imported-begin##Cheri Lee

“ Warrick family...

My thoughts and prayers go out to all of you...

Moya taught me so much about believing in myself, the rewards hardwork and dedication will bear, the art of 'cold calling' (in which she said "I was a persistent lil' puss") and most of allMoya you were a great teacher/mentor and always treated me like I was 'golden'...

You will be missed by ALL..... XOXOXOXOXO##imported-begin##Gregory Hunter gregoryhunter16@yahoo.com##imported-end##

“ *For those of you who may not know, I am Moyas youngest brother. I know I can speak for all The Fays, this has been the most difficult time of our lives, but knowing she has affected so many lives in such a positive way helps to ease the pain. For those who could make it in person and for those who could not, your thoughts and prayers have been taken to heart.*

For Phil, you will always be loved like the brother you have been to me. For Megan and Deidre, your uncle cannot love you more than he does. You are perfect.

I know that, in the future, when I say Moya's name, I will be saying the name of an angel.

Love you all,

Jim##imported-begin##Jim Fay jrfay@buckeye-express.com##imported-end##
