“ My husband and I attended your wedding and were fortunate enough to witness you and Paul dancing a dance of love. It was so very graceful and all could see the love between you. We prayed for you over the long years of your illness. Hoping with all our hearts that you will meet again my friends in Heaven.

“ My memories are of “Miss Holland” at Lark Elementary School in Northwood. She was my 3rd grade teacher and then became principal for my remaining years at Lark. Her classroom was one of love, safety and acceptance. She gave out many warm fuzzies during her years as an educator. I will always remember her fondly.

“ *Lu was a wonderful sister and she gave so much to our entire family. When I was going to BGSU, she was always coming down to take me out to eat or to take me back to her apartment for the weekend. She even let me take her beautiful red convertible when she wasn't using it. Her continuous love and support always helped me through many life situations. I will always be so grateful for all that she did for me and I will miss her so much.*

“ *Having the privilege to have known Lu has been a wonderful gift. She had such a light sense of humor. I can see her smile in my mind. Her laughter was pleasingly contagious. Lu is missed but will always be remembered. She is one of those rare persons.*

*Someone to emulate in her actions and words.*

“ When I think of my Aunt Lu, I recall many good times especially as a little girl. She was always so kind and loving to me and my siblings. She took me and my brother to Toledo when my sister was born to help my Mom, her sister. We would visit the zoo, play games, sing songs and draw pictures. She was always so fun to be around and always showed me love and a sincere interest. I loved her my whole life! She was such a blessing in my life because of her love and kindness early on when I needed it so much. Even in adulthood her love and kindness never wavered. I remember a few years ago visiting her and Paul, parking our travel trailer in the back yard behind the workshop/garage one Summer. We had such a lovely special time reconnecting, sharing stories old and new, talking about the love of God, making good wholesome food and simply sharing and caring our hearts again as we'd always done so easily and freely since my beginning... I so loved her and I will very much miss her presence on this Earth... and I know her presence is forever etched upon my heart! I am blessed for having her in my life!

“ I have so many beautiful memories of aunt Ludy. She always put in so much effort to keep in touch with me and write me long letters when I was a little girl. She started the tradition of sending my sister and I a Christmas tree ornament each year with the date on it and now my son and I put up all of the different ornaments she gave me throughout the years onto our Christmas tree. I have ornaments from her dating back all the way to 1986 the year i was born. I remember spending a week out of the summer with her when I was a little girl. While staying there she talked me into doing an early morning yoga class with her and then I did not want to wake up in the morning to do it and she couldn't get me out of bed so she grabbed some pots and pans from her kitchen and marched around my room banging them together to get me to wake up. She was always full of energy and doing silly things like that. I will cherish the memories I have of her forever and make sure that my son also knows how amazing his great aunt was. I feel blessed to have had her in my life. -Jessica Jordan

“ Myrna (Lu) had many qualities of “a good woman”: She was very spiritual, patient, optimistic, open-minded, intelligent, trustworthy, confident, supportive, kind, had a great sense-of-humor, and a strong work ethic. She was a very good friend and an inspiration to me. May she Rest In Peace.
