“ Maggie,  
I am so sorry for your loss. I have heard that you and your father were very close. My prayer is that in this time of sorrow, that you will not just contemplate the pain of your loss, but also remember how blessed you are to have had such a wonderful Dad.  
Peace be with you,

“ *Capt. Huffer, as the Sprenger boys always lovingly and respectfully called him, personified what it means to be a family man and naval officer. He was part of, and very helpful to, my decision to join the Navy and was always interested in what was happening in my career. He had a very positive influence on my life and will be very much missed.##imported-begin##John Sprenger##imported-end##*

We were very saddened to hear of Nick's passing. I hope that all the special memories that you all have of him will help to ease your loss. We will try to make it to Gesu on Thursday, but Jerry's sister, Judy, is having emergency surgery in N, Carolina and we are in the process of getting ready to leave town. All our prayers and thoughts are with you.
