“ You were the love of my life.
I miss and think of you often.
I still hear that wonderful laugh

“ My sincerest condolences to the family. I met Nicolle at the Board of Elections. She was just a joy. We did a lot of talking and laughing. So saddened to hear this. I stumbled upon it and was quite shocked. It is always the the good ones that leave too soon. I guess God was ready for another beautiful flower in His garden. Praying for you all.

Nicolle was one of the most selfless people I have met in my life. If the world was only occupied with Nicole Browns we would have no arguments, no grudges, and no wars. You brought a lot of happiness to a lot of people. I hope it is being reciprocated wherever you are at.

I met Nicolle in high school. Although we hadn't kept in touch after high school, we recently became reacquainted on Facebook. She was a very sociable and friendly person to know. R.I.P. Nicolle, you will be missed.

I remember meeting Nicolle in high school. We became good friends after sledding at Fort Meigs on a double date of sorts. When our "dates" ended up together, we ended up just talking to each other most of the night. I wish I had stayed in touch after high school. Until last year when she friended me on Facebook, I often thought of that evening as the most fun date I had ever been on. I never got the chance to share that memory with her until now. Farewell Nicolle sweet dreams.
