“ *I met Sr. Noel as she was in the process of working towards fulfilling her call to be a nun. I wish I had known her longer. She was a wonderful friend to have. It was a blessing to know her. I was very pleased to be present at her profession as a Visitation nun. We kept in contact over the years with her last letter arriving during this past summer when she informed me she was at Rosary Care Center. I will miss her so much. All who loved her are in my prayers.*
