Your Moms cooking and laugh, talking sports with your Dad, what wonderful people they were! The Keil's and Mehling's will always have a close bond thanks to our parents. “The Parting Glass”

*Of all the money that e'er I had
I spent it in good company
And all the harm I've ever done
Alas it was to none but me
And all I've done for want of wit
To mem'ry now I can't recall
So fill to me the parting glass
Good night and joy be to you all*

*So fill to me the parting glass
And drink a health whate'er befalls
And gently rise and softly call
Good night and joy be to you all*

*Of all the comrades that e'er I had
They're sorry for my going away
And all the sweethearts that e'er I had
They'd wish me one more day to stay
But since it fell unto my lot
That I should rise and you should not
I gently rise and softly call
Good night and joy be to you all*

*Fill to me the parting glass
And drink a health whate'er befalls
And gently rise and softly call
Good night and joy be to you all*

*But since it fell unto my lot
That I should rise and you should not
I gently rise and softly call
Good night and joy be to you all*

Good night and joy be to you all

Good night Norbie.....Theodore.

“ So sorry to hear of your Dad's passing. Many fond memories of Mr. Mehling teaching us to stay on the right path. It's not surprising that he reminded me so much of my dad ...stern, fair, and demanded respect...lessons learned that I carry this very day. What a great role model and teacher. Dad always said Monk was the "fastest" guy in school...funny how heredity works. Mr. & Mrs. Mehling reunited...now that is as it should be. Our thoughts and prayers are with you. May God bless you and your families through this difficult time.

“ Going back many years to working with Norb at Station 5, it was evident that Norb was a dependable guy who knew his job and did it well. After retirement we enjoyed their many visits to North Carolina playing golf, breaking bread together and many hours of reminiscing about the fire department and catching up about what was happening with our families. Our deepest sympath to all the family. We have lost a dear, dear friend.
