We lived next door to Norm & Kathy for years in Waterside, they sort of adopted my grand kids as their own. When ever the kids were playing in the back they would call them over and give them lemonade and cookies, they always remembered their birthdays. We would often go visit them at St. Clair and Norm would insist that we have lunch with him, the kids thought it was very fancy to eat with Norm in the dinning room. Will miss him and so will the kids.

“ Remember the many times when Kathy would return to Erie with Tony over the years to visit, go out with friends to dinner and had a nice time. Tony was always a very kind man
