

## Olga Ruiz

April 19, 1952 - December 11, 2020

Olga Ruiz, age 68, passed away peacefully at her home on December 11th, and was surrounded by her siblings as she began her journey to heaven. She was born April 19, 1952 in Toledo, Ohio, and was an alumni of Libbey High School. She is preceded in death by her parents Antonio and Odilia Ruiz, nephew Luis Ruiz, niece Jennifer Carper, brother-in-laws Ralph Meyer and Charles (Chuck) Carper, and her beloved dog Dexter.

Olga had a love for plants and gardening; she spent many hours tending her beautiful flowers. Her family loved and looked forward to her special Mexican rice and beans at all family gatherings. She had perfected making them and they tasted just like her mom's. Olga was an avid movie-goer and frequently saw movies with her boyfriend of many years, Faron Garvey. They also enjoyed taking trips together. Faron lovingly helped to care for Olga in her time of need.

For many years Olga worked at Heinz Research in Haskins, Ohio, and later at the Epilepsy Center where she met lifelong friends Karen Diaz and Mary Jo Zeisloft. At the Epilepsy Center she was loved by all clients and staff. She had a gift for caring for people and was always thinking about how to help others.

Olga will be greatly missed by her many nieces and nephews. They fondly called her "Auntie O" or "Aunt Olg," she was like a second mom to them. They

enjoyed the way she would let them do things their parents wouldn't and they giggled when she encouraged them and joined in doing mischievous things. Most missed will be how she rubbed their backs. She truly loved them all: Jamey Ruiz, Brandon Ruiz, Brandi Meyer, Michael Meyer, Jason Ruiz, Christie (Ruiz) St. John, Erik Ruiz, Ryan Ruiz, Kandyce (Ruiz) Queenan, Melissa Carper, Stephen Carper, Robert Ruiz-Krause, Elena (Ruiz-Krause) King, Antonio Ruiz-Krause, Veronica Ruiz-Krause (Mulvey), Justice Ruiz, Connor Ruiz Bringman, Kennedy Ruiz Bringman.

Olga is survived by her sisters Maria Meyer, Diana Ruiz-Krause (Robert), Linda Ruiz-Bringman (Chadwick) and Guadalupe Carper, brothers Antonio Ruiz (Hope), Gilberto Ruiz (Linda), Augustine Ruiz (Melanie), Juan Ruiz (Sherry), Roberto Ruiz and her Tia Socorro and cousins. Olga was tenderly cared for by her family during her illness. Olga was loved deeply by her siblings, she was their sister and friend. She will be fondly remembered for her outspokenness, calling loved ones to sing Happy Birthday to them, and the way she made them laugh.

We now celebrate her life.

Rest in peace, until we meet again.

“ In 2007 while at The Epilepsy Center we became aware that 5 of us would all be 55 years old that year. What's the odds. So between the end of May and mid June we gave it shelves a party. Vivkie, Laura, olga, me and Bobbie. What fun.

Also I took great pride in christening her Olga Francesca and nearly felt like a Godmother.

She was a wonderful person and fun to be with.

Vaya Con Dios, my friend.

I hope you give her a big send off. Covid keeps me away. We only mingle with a handful of people and I'm scared of getting it.

Love N Hugs, Mary Jo Zeisloft

“ *In loving memory of our witty and loving cousin Olga. Thank you for the wonderful memories, especially our long & crazy telephone conversations. Family was most important to Olga. She had plenty of love for everyone and was very proud of her siblings, nieces & nephews. Family traditions were also important to her...this will be our first year without her Christmas card. We will cherish you in our hearts! Prayers for the rest of the family. From Ruben & Terry Ruiz in Alice, Texas.*
