“ *Aunt Opal was special and provided many unforgettable and fond memories: singing carols to me in grandad's kitchen when she was a teenager; allowing me to ride (and be thrown from Judy's pony); taking me fishing; and so much more. She was very special and we send our deepest sympathy to her family and friends that will miss her dearly.....Duane Berry and family Carol, David, Andrea, Chuck & Noah.*

“ *Opal was a loving warm soul who touched a lot of people. She was an inspiration to everyone around her. She was a hard worker, and never complained. She was the type of woman who did things and never asked for help. She will be missed by so many of the souls she touched. I am going to miss seeing her at work her so much! Things will never be the same without her around. My saddened heart goes out to her family, may God take her into his loving arms and comfort her and her family in this sad time.*
