“ Dear Families and Friends of Pam,

I will truly miss my buddy whom I met many years ago at the Victory Center, we have supported and encouraged each other over the years, she was such a trooper and God understood her tiredness and decided to let her rest peacefully, I will never forget her beautiful smile and her love especially for her grandchildren, they meant the world to her. I plan to attend her service. To the families, be of good courage!!!! With all of my heart, my heart is heavy too!!!##imported-begin##Linda L. Reese lindalreese55@sbcglobal.net##imported-end##

“ To the family and friends of Pam:
I've known Pam for several years. She and I talked a lot about Golden Retrievers, especially when she adopted Teddy.

As others have said, she had a great attitude in spite of her cancer treatments and truly cared about people in her life. She will be truly missed by all of us.
