“ John, Mary Pat sad to see of the passing of your mother. I
remember her and Tom so well. What a great pair of parents you
were gifted to have. My time coaching John was so much fun and
she and Tom were always so supportive of me. The times spent at
the Arthur house next door during those years will be in my memory
forever. John I hope things are well with you. I was out in Colorado
last September and forgot you lived out there. I definitely would
have looked you up. Perhaps another time. My prayers are with you
all during this sad time and best wishes for all of you as we move
forward.

“ Mary Pat, so sorry to see your mom's obituary in today's paper. She was such a great office coordinator for the JLT, which is how I got to know her. She had a great sense of humor but kept things so organized and ran a tight ship there! With the COVID crisis I've been riding my bike a lot recently and several times in the past few weeks rode past your house on Circular Drive in South Toledo. So I've been thinking of your Mom a lot lately. My deepest condolences; know that your mom was loved & appreciated by many! Bridget Brell Holt
