“ *Mamma Pat.... Heaven certainly gained a great angel by picking you. You always treated all of us as one of your own, even if months or years passed between visits. The coffee was always fresh and the conversation always welcoming.
Why do bad things happen to good people???
My deepest condolences to all of you. May God wrap his ever loving arms around each of you during your time of sorrow.*

Mom , that's how you will be to me. I grew up with family from childhood. Matt was my best friend. I watched Patrick and Derrick come home from the hospital from being born. The countless ways Matt and I got in trouble, to fishing with everyone and playing poker .Picking up cigarette butts as punishment to adding my name to the famous spanking paddle for being bad. This whole family means as much to me as my own flesh and blood. How nice it would be to go back and enjoy childhood again .Mom ,you will always forever live in heart. Heaven truly got an angle when you got there. Im so sorry for not stopping by and visiting you all more.

Love you, Todd Somers and family
