“ I have been trying to find the words to say....Aunt Pat you were one of the most giving and loving people I have ever meant. You were a true example of how a person should be in life. Your love and strength you exhibited were qualities that I admired and will strive to achieve in my pwn life. It has been through the last year that myself and my family have become very close to her. She took a special interest in our Josh and he loves her tremendously, and as Laura stated below, she was always the #1 fan of her children, grandchildren, and great grandchildren. She shared with us wonderful memories she carried in her heart for all of you. The love she had for Uncle Henry was a blessing to witness. We also love her tremendously! There will always be a spot in my heart that will feel her presence and when I speak of her, there will always be a smile on my face! Aunt Pat,I thank God that you have been a part of our lives, we consider your love for us a true blessing! I have no doubt you were happy to see your son again in Heaven! Watch over your family and take pleasure that you brought such happiness to so many. God Speed.....and until we meet again. We will miss you so very much! Love, Bob, Nikki, Josh, Mary, JD & Mike Kolasinski

“ Kim, Dawn, and family: When I lost my mother 6 yrs ago, I found this poem, so Im passing it on to you:

*"A Mother's Love"*

*She never failed to do her best, her heart was true and tender,  
she toiled for those she loved, and left them to remember.*

*A loving mother, kind and true, her equals on this earth are few;  
A happy life, a peaceful end, she died as she lived, Everybody's  
friend.*

*If we had this world to give, we would give it and more;*

*To see our darling Mother, come smiling through the door.*

*Those who have a mother, should tender her with care;*

*For you never know her value, till you see her vacant chair.*
