“ Mom,
There are few things in life so beautiful as true love from you mom. We talked about everything a mother like you is a rare and precious gift. You were always there understanding and caring in ways that only brings us closer as time went on. Mom you made such a difference in my life with just being you. The ways you touched my life with Love, caring and kindness so often you lend a hand to lift my spirits, or just listen with your heart until my problems seem to float away. You were a wonderful presence in my world.
You have always given everything the most important was your love and patience. You always put everyone first before yourself no matter what the situation ways.
I love you so much thank you for being my mother now and forever.

Love your daughter Cathi
