“ Warmth, effervescence, enthusiasm, joy and loving presence. This is how I've known Aunt Patti whether as a 10 year old coming to town for Thanksgiving and the Michigan-OSU game or as an adult in town for a Labor Day celebration with family. There was always this tremendous sense of loving presence and being held in that embrace.

Uncle Dave, Angel, Greg, Trish and family- I'm grateful to have received a part of that warmth and joy that permeated your home. May her love continue to hold you and yours- it will always be there. Love to all of you~

“ Dave, Angel, Greg, Tricia, and families: i hold all of you in my heart as you grieve. There truly is nothing like the loss of a mother. I find comfort in believing that our moms are together, probably starting up a heavenly Bunco club. ~karri

To Dave, children and their families: Gone too soon. Patti was the most fun person I ever met. She could deliver a joke like no one else. Well, maybe her dad. They shared that gift of fun and living life to its fullest. She looked just like him too. I think she would walk on coals to do anything for her family because she loved them so much. I know those of us who grew up with her feel her loss as well. But we all have good memories to cherish now. Patti, still giving after she's been taken. Karen and Jim S.

I can't believe this. We worked together at Mercy in the Pharmacy. We've kept up with each other on Facebook. I had no idea she was sick. She was always going here or there. Doing this or that! My heart goes out to all of you.
