“ Epilogue for my friend Pat F
Never would Pat have us think him saint or superman. Nor would he
have us praise him or grieve his passing. I can almost hear him
saying "shut the Fuzzz up!"
I was only a link in the chain of recovery some of us call AA. By
grace and good fortune my link did not break; despite my faults and
failings. I was just another alcoholic trying to get along under the
grace of God. "Forget me, but go you and do likewise". "Securely
add your own link to our chain with God's help, forge that chain well
and truly." know that I will be with you always.

I am a volunteer at Ebeid and had the pleasure of visiting and laughing with Pat last Tuesday. Just spending a little bit of time with him, made me realize what a special person he was. He told me about his family, his job and I even tried to steal his beloved U of M blanket to throw away! I was excited to get to work yesterday so we could visit some more and saddened to learn of his passing. I feel lucky I was able to spend an hour with Patrick Feeley.

Thinking of Sharon and the Family with a heavy heart. I also got to know Pat through My husband, Bob Chew.. Pat was a good friend, and AA buddy. With their added yrs in sobriety, they touched many lives and hearts. And I know their golfing adventures will continue in the Big Beyond.

A Big Hug!!!
