“ My deepest sympathies go out to all who knew and loved Pat, especially Mary and Colleen. Pat will always be remembered by me as someone who's personality was bigger than any room he was in - his laughter was infectious and always present and his love of life, family, and friends was abundant. Although I haven't seen Pat in many years, my memories of him will stay with me for life. He was a very good friend to me for many years. My thoughts and prayers are with his family and friends at this time.##imported-begin##Chris Yodzis##imported-end##

“ To Jeff and the entire Forshey family,

I am so sorry to here of Pat's passing. It has been 30 plus years since we have lost touch and I have had the pleasure of hanging out with you and Pat. It seems like just last week. We were young, carefree, not a problem in the world, just growing up, having fun, then life seems to send us in different directions.

Please accept my sincerest condolences.
