Kelly, we feel so heartbroken for you...we only met Pat once at your wedding, but we could tell he was one in a million! We know Pat put the light in your eyes and a fire in your heart...and he gave you the love that will sustain you now.

My friend! My best friend for a lot of years! He always accepted me for who I was. We didn't see each other all the time anymore, but we always kept in touch. I valued his friendship more than anything. The best of people. I will miss yo so much buddy, but I am glad that you will not suffer anymore. You will do good in heaven. RIP brother!
