“ I extend my deepest sympathies to Janet and all the family members on the passing of their beloved husband and father. What a privilege to have known this man since the late sixties when he was transferred to Toledo. We had great fun and became good friends as group reps and when he was appointed manager he became a most able leader for everyone in the office-- Pridge, Baldus, Dean, Oz, and Jay. I will always remember the joint client calls and without him many of the rate increases would not have been accepted. After he retired and I after left the company, I visited in Toledo from Chicago, on a business trip in the mid nineties and had the pleasure of having dinner with Paul and Janet. A memory I treasure.

“ Saying a prayer for you tonight J.B. and family. I hope you get to be a son this week and not a funeral director. I am truly sorry that you have lost your father. You certainly got your father's looks J.B. See you soon. Blessing to you all.

“ Paul and I worked together at Aetna and sometimes played customer golf. Paul and I had many laughs and good times while he was selling business. He was a terrific salesman and his customers loved him. The only time in my life where I was lawn bowling and trout fishing during a group insurance renewal was with Paul. What a fun guy he was and always family and customer focused. I send my heartfelt condolences to the family and Janet in particular. Forty-seven grandchildren says it all. Tolbert Chisum
