“ *I met Pete and his wife Nora when their daughters Katie and Sophie attended school at Crossgates Elementary, where I was the principal. Having a family like the Jaeglys at Crossgates made coming to work a pleasure and a privilege.*

Pete achieved outstanding professional career success with the Toledo Fire Department, having achieved the rank of Battalion Chief. This career title and achievement, which are exceptional, are only exceeded by his achievement as a dad. This is obvious in the two wonderful daughters he loved, nurtured and encouraged to become the sweet and intelligent young ladies they are today. Nora, Katie and Sophie, you are in my thoughts and prayers.

“ *I always looked up to Mr.Jaegly, he was such a nice guy. I remember when he threw a party for Katie one year. It was something like I would say a, Pirate Adventure. He filled a huge chest full of candy and buried it, then sent us on a wild goose chase to find it. When we dug up that Chest, you should have seen the look on Katie's face. I will never forget that day, she was so happy. I have to thank Mr.Jeagly for that day. My thoughts are with you Katie and your family.*

“ *He was always there....Crossgates Field Day 2011. I had barely turned to see what was happening and he was there helping a young person who was choking. He must have had ESP since the kids had barely started to get excited... He was always there for his girls... No one could ask for a better officer and gentleman. Prayers for Nora and the girls.*

“ So proud of my cousin, Pete. Loved sharing fire dept. stories at family reunions. I too, was a firefighter, so I could understand his feelings about chasing flames at all hours of the day and night.

Pete was a hero in all instances in his job and as a husband and father. He answered a 911 call from heaven a few days ago, and left the "world's" fire station, lights and siren blaring, and when he looked for an address, he saw a young man with a white robe, and sandals, waving him to a gated house.

When he asked this man where the emergency was, the man turned and revealed to Pete, his father, and sister, along with other friends and family.

Then Pete realized who this man was...it was Jesus!, the one he's been believing in from his childhood. Jesus told him how proud of HE was of him, loving people, unconditionally, and putting his own life before others in his profession, and in his family!

I truly believe the words Jesus spoke, as he hugged Pete, and welcomed him Home were these: "Well done, Peter Jaegly, Good and Faithful Servant! Come!, My Father wants to have dinner with YOU tonight...and by the way, put the crutches away. Look down to see that you once again have both legs...you'll need them to get around and see ALL this place!

Rest in Peace, my cousin. I too, always have loved you!
