“ Uncle Phil was always such an amazing man. The way he loved his family and had an open home to everyone was wonderful. When I was younger I remember baby sitting Phil Jr and also going glow bowling and staying the night. He had the best bbq's! I remember Aunt Sharie has a niece named Marisol and I loved her name so much I made it my daughter's middle name. I just loved being around them. He truly loved his wife and kids and grandkids. You could see it in his huge smiles (where his cheek bones would be so high from his big smile that his eyes were small)...he always had a smile. He was just always a loving and fun man. He even let me wear his shoes once and I will never forget how they fit, I wear a 7.5 btw, and we laughed so much! Tiny feet HUGE heart. I will miss him so much and I didn't even get a lot of time with him since as we grow up we get so busy in life. I know he will be loved and missed by all his family and friends. My warmest love and prayers will always be with my aunt and cousins. My dad told me to remember he is back with his mother and father and to keep my prayers with the ones who need them. I will still mourn but it warms my heart and lightens my spirit to know he is with them again. I never say good bye so see you later uncle Phil, I really love you. 💙 Rachel Rodriguez Charles.
