“ Our dear friend and sister has received her adoption hood to heaven. She played an important part in the lives of our children during their tender years through teaching them of the love of God. We remember her placing Johnathan on her knees praying for him. To us we were her Gilbert and Glendoria, and would always covet our prayers on her behalf. I remember her last response to my thoughts for the day when she replied "I Love my Jesus" only four days of accepting her higher calling. I know she's resting in the arms of her Jesus.

“ Jeans “boyfriend” Bruce and I will miss this lady dearly. I have fond memories of Jean attending our Tuesday bible study and the wisdom she shared. Her love for the Lord was evident in her southern talk and in her love of people. We will meet her again “over there.”
