“ Raymond was a big part of our family for over 40+ years and we have happy memories of the joy he brought to Mo. They traveled the world together but were happiest on the shore of Lake Superior at their beloved cabin on Birch Point. It seems fitting that Raymond and Little Richard left us within a day of each other - dancing the Chicken all the way.

*Thank you for so much, Raymond.

“ Our love and condolences to Ray and Marybeth. We will always have great memories of Ray Sr. He lived in the moment whether it was celebrating a birthday at Loma’s, attending a ballgame, hunting or fishing, enjoying the summers up north, or just being with family and friends is really what he loved most. Forever Rest In Peace, Ray, you will be missed.

“ I'm so sorry for your loss, I so much enjoyed working with and for Ray over the years. Loved the stories he would tell about his banking days and the cottage up in Brimley. I'm going to miss his phone calls and our conversations about when we would get together for a martini. Thanks for the memories Ray!

“ Ray was always friendly with ever one. I first met Ray in the Ohio Nat'l Guard in 1957. Before he went into the Banking business he sold cars for Bob Eddy Buick in downtown Toledo. He sold me my first car in Toledo. He was always a good friend but our lives went separate ways as time went on, long ago. I knew Harold as well. Remembrances from Ray Hendricks, Sylvania, OH

“ I worked with Ray at First National Bank nka Fifth Third. We reconnected several years back sharing a lot of the old stories, laughing all the way. We attended a number of the bank retiree luncheons. Following one of the events, Ray, John Keller (dec'd.) and I met at the Elks in Maumee. Ray said he had an old Gray Goose at home, so we journeyed there. We were driving so slow, it looked like a 3 car funeral procession. We returned the next day to retrieve John's car and there was a note on the front door. Will work for Vodka signed Domino. I never figured out how Ray trained that dog but we had a good laugh. Glad that we reconnected. Rest in peace, my friend.
