“ To the loving family of Meyers and Rays...Gina and I had many wonderful young years in Toledo as we walked back and forth each day to St. Ann's together. We always made a stop at the drugstore on the corner near St. Ann's when returning to school after lunch. Such a good memory of eating Paydays...always Gina's treat to me. Enjoyed her company so much!
Mostly in our adult years I remember Gina's close friendship with my sister, Margaret. How Margaret loved being involved in Gina and Tom's life and inspired by the love that existed between them and for their large family. So for Margaret were she still with us and for myself I express my warm sympathy for you all at this great loss in your lives. From Indiana I will not be physically present with you all but I will be thinking of you all this week as you gather to celebrate Gina's life. Love to each and everyone of you from me and from dear Margaret.##imported-begin##Nancy Savage Coyle nanhank@sbcglobal.net##imported-end##
