“ *Jesus took my mother at a young age. Then, six months later, my oldest brother married this amazing woman. I was 8, she was 21 when she left her family in Kentucky. This new bride brought with her the love, example, and laughter that my family and I so desperately needed. Open arms to hug, ears to listen, smiles to welcome, and a cup of tea to make it better. We will never forget💕
It's hard to imagine how altered my life would have been without Jeannie.*

“ Jeannie was a very close friend and my faithful Tai Chi student for over a decade. My heart is heavy for her passing but I know that we will see her again one day. My deep condolences and I am so sorry that I cannot be there for the funeral service. I have been here in California and will not be back to Toledo until late next week.

Sincerely,
Edmond

“ Aunt Jeannie was a bright light in our family. Her smile and laugh were one of a kind, and her sense of humor was most like Grandma's. She had Grandma's gift for storytelling too. And some of Granddaddy's gift of convincing you an outlandish tale was fact. Her faith also was an inspiration to me. She will be deeply missed.
