Tribute Wall

“ you may not remember the Wymans....Ron was a pharmacist, and Billie used to babysit for our children...in fact, she went on vacation with us one year. We have fond memories of your folks as role models....in fact, they taught us how to use egg cups for soft cooked eggs...which are a favorite of our grandchildren. We are sorry for your loss, which we noted in the Toledo newspaper, though we live in Michigan now. It sounds as if she led a productive and interesting life, and was blessed with grandchildren .
