“ My deepest sympathy goes out to the entire Keil family, as it is never easy to lose a loved one.  
I have many fond childhood memories of the times I enjoyed playing at Dick's house and on the farm with his children. Sitting around his kitchen table as we became older, sharing stories and always being offered a cold beverage to drink. I will always cherish those times and the great friends that all of you were to me through the years.  
Thank you...

“ I have fond memories of stopping in the market with my mom on the way home from school back in the 1960's. The employees were always so friendly. I miss the old market.
