“ Rich and I played baseball together for many years. He and I shared a love of the game but in addition we both were avid Yankee fans. He was an excellent pitcher and in addition played the left side of the infield at third or short. Head a great bat and came through in many clutch situations. Unfortunately I fell out of touch with him when I moved to Florida. Our mutual friend, Bill, informed me of his passing. I can truly say I enjoyed our friendship and will miss him. His son Rich Jr. Is a credit to his dad's memory. Our baseball idol, Mickey Mantle, asked his team mates to recognize him in a eulogy by saying, "He Was A Great Teamate" Rich, you were a Great Team Mate. Rest in peace my friend.

“ Rich was a great co worker and friend of mine for many years. We worked together at 16's fire station, got promoted to Lieutenant, and ended up back together at 25's. We also played together on the TFD's softball team for several seasons. We had many happy memories and times. He will be missed.
