“ *My thoughts and prayers go to the family. Can't say enough to express how much he helped me this summer after the passing of my son. He was a big help to me and we did so much work on my porch and we had fun doing it, even though the job became bigger than we expected. He came down every day no matter how hot and humid it was. But we got the job done and we became good friends. We joked around a lot. He is missed very much. Again my Prayers go out to the family.*
