

Robert and Carol Wooten

June 28, 1943 - September 8, 2015

Robert “Pops” and Carol “G-ma” (Cousino) Wooten passed away suddenly on Tuesday September 8, 2015.

A U.S. Naval Veteran, Bob worked as a painter for Cousino Construction for 38 years. Carol was a graduate of Woodward High School and was an amazing cook and homemaker.

They were devoted to each other and to their children and were amazing grandparents who loved playing cards and attending grandchildren’s sporting events. They kept their door open to everyone and you never left their house hungry, thirsty or empty handed. Bob was an avid John Wayne and sports fan. Carol loved her Coca Cola and Elvis. They were married for 50 years.

They were preceded in death by their son Edward and are survived by their children Michelle (Chris) Schoonmaker, Angel (Shawn) Harrison, Frank Wooten and Kelly (Dennis) Keel. Also surviving are their grandchildren Jeremy, Justin (Jamie), Jakob, Josh, Dylan, Sierra, Alexa, Abby, and Kassidey; and Great-grandchildren Colton, Vincent, Cash, Violet as well as numerous brothers and sisters and niece Joanna.

Friends may visit the Coyle Funeral Home, 1770 S. Reynolds Rd. Toledo on Sunday from 2-8 pm. Funeral Services will be held on Monday September 14, beginning at 11:00 am in the Funeral Home with interment to follow in Toledo Memorial Park, Sylvania, Ohio.

I taught exercise classes along time ago to Bob at the YMCA. He

was a great man, very giving. Every time my older adult class would have luncheons, he would bring deviled eggs made from Carol, and they were awesome! So sorry to hear of your loss.

“ Dear Aunt Carol and Uncle Bob...

I am writing this with tears flowing as I think it finally hit me that you are gone. I never got to tell you that you both were such positive role models in my life. The way you both touched so many lives in such a beautiful way... makes me strive to be a better person.

I am sure Uncle Bob is up there trying to get some angel to rub his feet for a quarter... and Aunt Carol is embarrassed because of it.

I am crying for your children and grandchildren because I am sure they are in pain, but I pray that they will find peace in each others love... as you raised them well!

I find comfort that you both are together but my heart is heavy as so many will mourn until we get to see your beautiful faces again.

*Love,
Little Angel*

“ From my trips to Ohio, Aunt Carol and Uncle Bob's trips to California and Nevada, to the uncountable phone calls, I hold nothing but positive memories filled with love, joy and laughter. From Aunt Carol's smile as she went up and down the hills of San Francisco on the Trolley Car to harassing Uncle Bob every time my Giants played his beloved Detroit Tigers (2012 World Series will be forever a special one) to calling Aunt Carol for her chocolate chip cookie or fudge recipe "one more time" and while on the phone asking Uncle Bob how he was feeling, thinking I would get an answer other than "with my hands," to the numerous foot rubs (yes, I even got Uncle Bob to give me one!), we made the most of our time together and for that I will be forever grateful. I will miss them more than words can express, but will hold them close to my heart and cherish the footprints they made in my life. I LOVE you both!

“ So hard to pick one memory, so many good times and laughs with my favorite Uncle Bob and Aunt Carol, you can't think of one without the other. They were so full of love for each other and their family, everything was always about the family and the extended family. One of my favorite memories is that whenever we were together we would always always sing the Wooten song, I couldn't be in the same room without Uncle Bob starting it and singing it out at the top of our lungs. My favorite memories of Aunt Carol are the way she would laugh all the time, and how she would say certain words make me smile, like Bob"and Pop. Although I didn't seem them often they have both left deep footprints on my heart and I will miss them terribly.

“ *So sorry for the loss of these two wonderful people. I remember them both as laughing and fun loving. Bob was my Uncle Jack's (Loa Fincham) younger brother. Remember many picnics and family events with them at Uncle Jack and Aunt Loa's house. Bobby as we use to know him by, was a great teaser and liked to make little girls blush and laugh. Just like my Uncle Jack did. I know they were always very close to Aunt Loa even after Uncle Jack passed. They were there when my Mom and Dad died to show their respects. I am truly sorry for the heartache that such a sudden loss of these two precious souls must be*

Bob and Carol are such wonderful people. I (Nick) enjoyed knowing them as my aunt and uncle. I liked stopping in whenever I would pass through Toledo in my Semi..There was always a story always some laughs, and I always left there feeling close.(Even though as an adult the visits were few and far between). My family(wife Margie and sons) only got to be with them a few times, but it was enough to know the LOVE that Bob and Carol had for family..There was always enough to go around..No matter who you were..We will miss them more than words can say..Love Nick, Margie and family....

“ Bob and Carol personified the meaning of the word, LOVE. Our kids grew up together and for many years our families spent summer vacation on Lake Huron in Oscoda, Michigan. These are among the most beautiful, enriching memories for me, my late husband ,John, and our three sons lives. It was a privilege to be their friends....They are among the most solid, decent, big hearted people I have ever known.. Bob and Carol had the capacity to love all children...My kids too, as Lisa M. mentioned, felt that Bob and Carol were like second parents. and I suspect lots more young people felt the same way. They will be missed and the world will be a less loving place without them. God Bless you my dear friends. We love you!

“ Bob and Carol were two of the kindest most genuine people I have ever had the pleasure of knowing. It has been many years since I last saw them but the memories I have from my childhood having them as neighbors will remain in my heart forever. They were like second parents to us. My heart goes out to your families. I absolutely have to share a memory that I know many of you will agree with.
