“ I know your daughter, Molly, from church and bible studies. She is a wonderful, caring person who loves her family and a friend I can count on in time of need. I never met her father but It sounds like her father was a very active person and now I know why Molly is so energized. My sympathy to you and your family. God Bless.##imported-begin##Bonnie Ferguson##imported-end##

“ My heart goes out to you all. I felt like part of your family for years. Bob was like a father to me. He hauled Molly and I all over with our horses and supported us every step of the way. Bob and Pat even babysat my children sometimes. I'm sorry we've lost touch. Now we have another angel to watch over us.

All my love,

“ Dear Foster family,
We are friends and co-workers of Mark; getting to know him and your family during his years with ITW DeVilbiss in Maumee. Mark is a thoughtful and grounded man that I know comes from a strong family upbringing. May your family strengthen each other more in this time of sorrow. May God bless you all and bring you his peace during this difficult time.##imported-begin##Roger & Cindy Cedoz##imported-end##
