

## Robert M. Glad, M.D.

September 4, 1937 - October 27, 2019

Dr. Robert M. Glad passed from this life October 27, 2019. He was born in Nemaquin, PA to Matt and Mary Glad (Kaifus) on September 4, 1937. Bob earned his medical degree from Jefferson Medical College in 1963. He married Bernie Timbrell that same year in Philadelphia. Bob served in the US Army Medical Corp from 1965 – 1968. After living in Germany, the couple with small children moved to Toledo, Ohio to stay. Bob practiced medicine at Maumee Valley Hospital and then for decades at Toledo Hospital. His Internal Medicine and gastroenterology private practice was West Central Medical Group. When he retired, he said it was the personal relationships that he had developed with his patients over a lifetime that he would miss the most. After his “retirement”, he worked for Promedica. He was recognized for 45 years of service in 2010.

He truly enjoyed photography, gardening, Pittsburgh Steelers and family. He is survived by Bernie Glad (Timbrell), his wife of 56 years; children, Mary Ellen Glad Monaco and Stephen Glad of Toledo; grandchildren, Emily, Robert and Daniel Monaco, as well as other close family and friends. Please know you are loved. Friends were family and he was appreciative.

He was preceded in death by his parents, his brothers, Leonard and Matt Jr., and his sister Mayme Glad. His generosity, kindness and loving heart lives on in those who remain. We are blessed to have him as husband, father, uncle and friend. Although he primarily attended St. Joan of Arc Catholic Church in Toledo, he also considered himself part of St. Aloysius Catholic Church in

Bowling Green. During his years in the Knights of Columbus, he was proud to serve with them.

Friends may visit at the Coyle Funeral Home, 1770 S. Reynolds Rd., on Wednesday October 30th from 3:00-7:00 p.m. where a Scripture service will be recited at 6:30 p.m. A Funeral Mass will be held on Thursday, October 31st at St. Joan of Arc Church, 5856 Heatherdowns Blvd., Toledo, OH 43614, at 11:00 a.m. Interment will be private. “ Dr. Glad treated me for stomach issues back in the 70's. He was a great doctor and had such a neat sense of humor. I always felt very comfortable as his patient. My thoughts and prayers are with his family and friends.

“ I came to know Dr. Bob as a member of Council 6373, Knights of Columbus, and also through St. Aloysius Church in Bowling Green. Bob served our council well, as member, council photographer, and as Financial Secretary. He was very efficient in any task he undertook, and he was one of the most personable persons I have worked with over the years. Bob made the trip to BG on our meeting nights even after his health began to limit his activities as he continued his service as Financial Secretary.

Our council members were sorry to hear him declare that he was relinquishing his duties for health reasons--not because of the loss of his service, but because we enjoyed his presence as a fellow Knight and friend. He will be greatly missed.

My sincere condolences and prayers are extended to Mrs. Glad and family.

“ I met Dr. Glad working at The Toledo Hospital. I worked in the Medical Services Office for Dr. John Gibbs. Dr. Glad was Chairman of the Department of Internal Medicine and he was someone I respected over the 25 years I knew him. He was truly a wonderful man, and I'm so grateful I had the opportunity to know him. My deepest condolences to Mrs. Glad and his children. God bless.

“ Bernie, I'm so sorry about your losing Bob. Bob and I were partners for many years during which time we had a splendid time practicing alongside each other. I must say I have NEVER met a finer man. I feel so fortunate to have known him. I currently am out of town and would have preferred to have said these things to you in person. Gordon(MIC) Mather.

“ I worked with Dr. Glad at ProMedica and found him to be such a thoughtful and caring professional at all times. He would sometimes call me with a question and start the conversation with an apology for bothering me because "I know this isn't your area, but you will know who to contact". Such a sweet, sweet gentleman. He will be missed. Sincere condolences to the Glad family.

“ About 40 years ago Dr. Glad saved my life. My original Dr. didn't seem to realize it but Bob caught it immediately. I will be forever grateful for meeting him. He became my regular Dr and we became friends. I was one of the last patients he saw before retirement. I think of him often and so sad that he has passed.

“ *So many memories... We loved him so so very much. He gave us so much advice, help and delicious tomatoes from his beautiful gardens over the years to remember him by. He was generous, kind, thoughtful, so down to earth and easy to talk with. Some of our fondest memories are getting together over the Fourth of July holidays.. seeing him riding the go cart, and ATVs and watching our firework display!  
We are going to miss him deeply!
