“ *Connie and Karen, I'm so sorry. I know you'll miss your dad. Some of my best memories of my youth are being with your mom and dad. They both had the best laughs! I'm so thankful that my daughter, Lainey got our dads both on FaceTime. He was a true light for my dad.*

“ We are so very grateful to have always known you. How lucky are we to have had your constant support and genuine enthusiasm for all that we have attempted, failed at, and succeeded in- throughout these past 40+ years. Your humor and steadfast loyalty made you a constant person to be counted on. You are the example for how we should live each day and remember what makes each season of our life a blessing.

Your grandchildren and great-grandchildren have been forever impacted at the very core of our beliefs by examples you have set about family and what this looks like. Until the very end of your time here with us, you gave us your loving heart, gentle hand, and crooked smile. You are loved by us all and we miss you already.

"....And now, the end is near
And so I face the final curtain
My friend, I'll say it clear
I'll state my case, of which I'm certain
I've lived a life that's full
I traveled each and every highway
And more, much more than this
I did it my way"

We love you always.

“ Rest in peace Uncle Bob. Though we've heard them all before I'm sure we'll miss another retelling of some funny anecdote usually family or railroad related. You were the family storyteller and those of us remaining have those memories. Thanks for everything.
