“ I was Bobby's classroom aide at Summerfield School. He came to my house and attended the carnival at the school with my daughter and myself. We loved Bobby's spirit and his sense of humor. I got reports from my husband who worked for the Monroe County Road Commission that he had seen Bobby on his bike. He taught my daughter Michelle how to make that big popping sound and she can so it to this day.
We are so sorry for your loss. Charlene Breitner###imported-begin##charlene breitner dbreitner@cass.net###imported-end##
