“ To Bob's family, I spoke to Bob a couple times on the phone a few years back discussing genealogy. His first cousin, Helen Rose (Crowley) George, was my Great Grandmother who died in 1986. Her daughter Eileen Best was my maternal grandmother who passed in 1989. My condolences to you all at this very difficult time.##imported-begin##Tom Lau##imported-end##

“ I am unsure whether i have the right person; there are 2 people who died on August 6th. He was formerly known as "phoenixbandit" in 'Answerology' 'aka Bob. I respected him and, although I never spoke to or knew him personally - just through email - I'm from London, I am very saddened by his passing - he was a very likeable man. From his photo that I see here; the first picture of him, I would have liked to have met him, he looks such a character with humour.. yes its a very sad time and I send my condolences to his family. RIP Bob.##imported-begin##Heatherjune of A/O heather.soper@ntlworld.com##imported-end##
