“ *My sympathy to the Stebli Family. I have memories of rare nights out for my parents when they'd go out to dinner and dancing with the Steblis. They'd always have a wonderful time together. I also recall visiting your beautiful home along with my parents. May you be comforted by your special memories.*

“ I grew up across the street from the Stebli's. My memory of Mr. Stebli was how he kept his garage! It was immaculate!!! Everything had a proper place and was always put back! He would spend hours tinkering and cleaning on the weekend, garage door open. It was amazing! He was very friendly to all of us. He will be missed. Prayers and love go out to the family. “ My deepest sympathies to all the family. I had the privilege of singing with Bob in St. Pats choir. He was one of the nicest, kindest persons I know. We sure had some good times trying to learn new music and just being together with the choir family. it sounds like he lived his life the way he wanted and I will always hold a special place in my heart for having known him. He always had his smile on.

God Bless!
