“ *Bob & Martha,*

I am so sorry to hear about your dad. I have a lot of fond memories of "Bob VanCamp" and his many years at Walbro. I am reminded of him often as I still see RLV on many old drawings.

May your memories of him be happy and long lasting.

Regards,

“ Bob :

Out thoughts and prayers with you and all of your family at this time.

I remember meeting Robert in Jackson, MI when Bob and I shared a home on Brown Lake as we began our respective work journey's after college. Was blessed to share a few stories and laughs with Bob's dad.

Though time passes and our individual focus and goals change, we are blessed and able to remember memories of those we met along the journey of life.
