“ I moved away from Toledo 30 years ago and just found out that Bob passed away. Bob and I were friends while both of us lived on Shadowood Lane. I remember Bob as a rock and butterfly collector. Bob was my savior from the bus my senior year as I rode to school with him most days that year. Mrs. Winters, Chris, and Bruce I am so sorry for your loss! - Dave Johnson

“ Mrs. Winters & Family,

Many fond memories of the Winters Family. I would always go with my dad to meet with Mr. Winters on house plans and play in the BMW car at the house. I am saddened to hear of Bob's passing. I told my mother and she sends her hugs as well as I do.

“ *At parties, Bob and I would always have our own corner some where , where we would talk about trucks and cars! And sometimes have our own little party just laughing our behinds off and no one knew what was going on! We ALWAYS had some to talk about! I will miss Him dearly! Ralph!*
