“ Karen I am deeply upset after the unfortunate call I received from you today. Right now I just can't rap my head around this. I can only pray that you and the boys will heal together and always remember how good of a man, Rob Young's really was. He had helped me numerous times with my dark times. And God knows I've had a lot. Rob will be deeply missed and never forgotten. I loved that guy that I know I will meet again.

“ Karen

I had the pleasure of working with Rob at POB II a few years ago. We had many a good laugh, most of which I can't put to print. He was a great guy who always had us laughing. Many conversations was had on his beloved team the Steelers vs the Vikings, but the Lord will forgive him for choosing that team. Rob loved his family and he always spoke of you and the boys daily when we chatted. I'm sure your memories of Rob will last for many years to come. My deepest sympathies are with you and your boys.

“ *Rob and I served together in Colorado and were roommates. He
taught me a field-job I was not trained for. His knowledge and
patience made it easy for me. I am so sad we never got that chance
to reconnect only through social media. He was a proud veteran
and was a devoted husband and father. I am forever grateful to
know such a fine man. My deepest condolences for his family, and a
special thank you to his wife who went the extra mile to inform me of
this sad event. Godspeed my friend..*
