“ Georgia,
Janie and I just heard of Roger's passing. Although we have not seen the two of you for years, we have fond memories of past shared experiences at Toledo dental events...especially our trip to the Mid Winter meeting in Chicago.

May the absence of Roger in your life be filled with many good memories as well.

May you be comforted by the words of Jesus from the sermon on the Mount.

"Blessed are those who mourn, for they will be comforted.." Only Jesus, through His Holy Spirit, can give us a peace that passes all understanding.

*Blessings

“ So sorry for your loss Georgia, Roger was a wonderful classmate at St Francis, a good friend, so happy we got to spend some time in Colorado before his troubles started. A kinder, gentler soul, I can't imagine. RIP Roger

Georgia

I always of Roger as a friend and colleague. He was a true class act who beat me at golf most of the time. As a dentist he really cared about his patients. My condolences to your family.

GEORGIA: Karen and I were deeply saddened to hear of Roger's death. He was a wonderful man and a dear friend. I have many memories of Roger -- our Liberty Drive softball team, the impromptu gatherings in someone's backyard -- but here's the first one that came to mind: I was laboring, with minimal success, to build a basic stand for our TV set and stereo, to go in the family room. Roger came down, saw that I was struggling to even cut a straight piece of wood, and immediately took over. In what seemed like no time everything was cut to perfection. That was Roger, always willing to help. He was a special man. God bless you and your girls.
